ROGERS AND MORRIS WILL NOT SUCCEED.

The Recount Made in Their Interest in Centre District Proves Disappointing.

THE EXPECTED GAINS IN NO. 1

Precinct Did Not Materialize, and Manion Made Gains Over Rogers in Other Precincts.

The county board of commissioners, sitting as an election board of canvassers, yesterday recounted the votes in five of the seven precincts of Centre district on justices of the peace and constables, at the instance of Messrs. W. W. Rogers and Dominick Morris, defeated Republican candidates there. It was expected that Squire Rogers and Constable Morris would make decided gains in No. 1 precinct, and it was hoped that gains in other precincts would carry them through to a majority. While there were gains in No. 1 precinct, they were not as large as anticipated, and the Democratic candidates, on the other hand, made gains in other precincts. The friends of Messrs. Rogers and Morris had about given up hope last night; they do not anticipate that the recount to-day for the two remaining precincts will overturn the majorities of the Democratic candidates.

In No. 1 precinct Rogers gained eight votes, from 123 to 131, and Manion gained three, from 89 to 92. In No. 2, Rogers lost six and Manion two; in No. 3 they gained one apiece; in No. 4 each gained one; in No. 5 Rogers gained two and Manion one. This leaves Rogers two ahead of the original count, and as Manion has a majority of twenty-four on the original count, it will be seen that the two remaining precincts will hardly overcome the net twenty-two majority. The same argument applies to Morris, whose opponent's majority is 50.

Not a Large Increase.

The increase of the number of votes cast in the election of 1900, as compared with the election of 1896 is not so large as was generally supposed. In 1896 the total number of votes was 12,133, while the 1900 vote was 13,069, an increase of 937, which does not nearly represent the increase in population. The number of ballots thrown out in 1896 by election officers was 253, while the number this year was 479. This is a very strong argument for either a school for voters or one for election officers—or two, one for each. The details of the comparison of the votes cast in 1896 and 1900 are as follows, by districts:

Districts.	1896.	1900.	Increase.
Washington	1,233	1,752	469
Madison	2,063	1,395	-668
Clay	1,283	1,482	199
Union	1,263	1,753	490
Centre	805	1,457	652
Webster	1,822	1,555	-267
Ritchie	1,629	1,591	-38
Liberty	437	446	9
Richland	420	447	27
Triadelphia	1,066	1,265	199
Totals	12,133	13,069	937

*Decrease.
Details of the votes cast and counted in the two elections are as follows:

The Passion Play.

Mr. Burton Holmes, who has been giving a series of lectures on his European travels, at Central Music Hall, Chicago, very wisely put off his lecture on "Oberammergau and the Passion Play" until near the close. The sale of seats was enormous and the time had to be extended, so eager were the people to hear this interesting lecture. The lecture to be given on the "Passion Play" by Col. Robert White, in the lecture room of the First Presbyterian church, Monday evening, November 19, should be heard by all who feel any interest in the "Tragedy of the Ages," as Robert J. Burdette calls the Oberammergau's Passion Play.

A marriage license was issued to Joseph H. Lyon, 26, of Pittsburgh, and Fannie Greer, 21, of Mayfield, Ky.

Another Men's Meeting.

Another interesting meeting was held at the Young Men's Christian Association last evening. Mr. Tibbitts, who is conducting the special meetings, gave a very impressive gospel talk. The subject of his address to-night will be, "One Thing Wanting." The Aeolian Quartette will sing. A quarter before 8 is the time for the meeting. All young men are welcome.

TO remove a troublesome corn or bunion: First soak the corn or bunion in warm water to soften it, then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by druggists.

BAD DREAMS

Caused by Coffee.

"I have been a coffee drinker, more or less, ever since I can remember, until a few months ago I became more and more nervous and irritable, and finally I could not sleep at night, for I was horribly disturbed by dreams of all sorts and a species of distressing nightmare.

"Finally, after hearing the experience of numbers of friends who had quit coffee and gone to drinking Postum Food Coffee, and learning of the great benefits they had derived, I concluded coffee must be the cause of my trouble, so I got some Postum Food Coffee and had it made strictly according to directions.

"I was astonished at the flavor and taste. It entirely took the place of coffee, and to my very great satisfaction, I began to sleep peacefully and sweetly. My nerves improved, and I wish I could warn every man, woman and child from the unwholesome drug, ordinary coffee.

"People really do not appreciate or realize what a powerful drug it is, and what terrible effects it has on the human system. If they did, hardly a pound of it would be sold. I would never think of going back to coffee again. I would almost as soon think of putting my hand in a fire after I had once been burned.

"A young lady friend of ours, Miss Emily Pierson, had stomach trouble for a long time, and could not get well as long as she used coffee. She finally quit coffee, and began the use of Postum Food Coffee, and is now perfectly well. Yours for health. Don't publish my name."—Herington, Kan.
